## UNSOLICITED TESTIMONIALS FROM ACTUAL USERS.

"I am now using four of your Jacks with the most satisfactory results. I have used most makes of logging jacks during the past 20 years under all kinds of working conditions, and have found the "Ellingsen" to be the best yet.

"It is the strongest Jack I have used, and I would like to get two more of them as soon as you can let me have them."

"Will you kindly send me two more "Ellingsen" Logging Jacks. I can do more with one of yours than two of any other make. Kindly send them as soon as you can."
